19.35 Matters Arising

Minutes from 20<sup>th</sup> November 2024 and 8<sup>th</sup> January 2025 APPROVED.

- Potholes – Lelley Road still an issue, clerk to raise with ERYC again.
- Potholes - Flinton lane between Flinton and Aldbrough Road, clerk to raise with ERYC.
- Aldbrough Lane – culvert is damaged and has been reported to ERYC for repair, marked by cones currently.
- Gallows Bridge corner – road is subsiding and culvert is damaged, repair to road is planned for 7<sup>th</sup> April for 4 days, with diversions in place as the road will be closed.
- Road sign is in the ditch just outside Flinton – clerk to raise with ERYC.
- Police reports – November – theft of caravan from roadside in Flinton; January – theft of steel farm gates from Pasture Lane; January – farm portacabin broken into and tools stolen and January – changing rooms at Humbleton Recreation club forced the lock and handle.
- Parish clock – no update.
- Heron's Trust – no update on funding applications to proceed with the community hall.
- Bridle path Humbleton to Elstronwick – no further update.
- Community plan – the Family Fun Day will not happen this year due to other commitments, also discussed a leaflet drop to try and get data from residents. Clerk to discuss with Heron otherwise data collection will be done at the Christmas event.
- Beck through the village – a large tree branch is in the beck, which is not causing any issues currently, but could do in the future. Chair to contact the Internal Drainage Board.

### 19.36 Correspondence

- Insurance company legal claim – no update.
- 20mph speed limit confirmed trial locations – Hedon, Swanland, Beeford & Flamborough.
- ERYC Bus Shelter replacement program – ERYC has been successful in receiving a capital funding allocation from the Department of Transport as part of the ERYC bus service improvement plan programme. Parishes are invited to apply for funding to replace existing bus shelters that are in poor condition. Discussed and both our bus shelters are ok; and to change them for ‘plastic’ shelters, even if successful, would be seen as out of character with the villages.
- Lloyds Bank have changed our bank account from a Treasurers’ Account to a new Community Account designed for not-for-profit organisations but there will be an account maintenance fee of £4.25pcm plus charges for cheques & cash. Clerk is looking for an alternative free banking option, both NatWest & Virgin were suggested.
- ERYC VE & VJ 80<sup>th</sup> Anniversary Community Fund – any community planning to organise activities to commemorate the above in May 2025 or August 2025 can apply to the fund – there is a short application form on the flexi-grant system and grants between £100-£500 are available. Deadline is 30 April for VE Day and 30 June for VJ Day. Clerk to discuss whether an event would be possible with other parties in the parish.
